📍 BLK 2 Lot 32 NCMH Housing 9 de Pebrero Street Brgy. Mauway, Mandaluyong City

📅 November 17, 2002 ○ SisonxShiaianne

Profile

To obtain a position in an Information Systems team where I can apply my skills in UI/UX design and frontend development to create intuitive and user-friendly web systems, while continuously learning and contributing to both frontend and backend improvements as needed.

Skills

UI/UX Design

Proficient in UI/UX design, wireframing, and prototyping using tools like Adobe XD and Figma.

Front-end development

Proficient in HTML and CSS with foundational experience in JavaScript, complemented by practical use of CSS frameworks such as Tailwind and Bootstrap.

Back-end Development

Basic knowledge in back-end development with experience in MySQL database management, PHP server-side programming, and working with the Laravel framework.

Microsoft Office Suite Proficiency

Proficient in using Microsoft Office Suite, including Word, Excel and PowerPoint, with the ability to create, edit, and format professional documents.
